

# OCPS Nursery Unit

## February 2019:

This month our topics are 'Love & Caring' and 'People Who Help Us'.

We will be painting with shades of pink, red and white; learning about vets, doctors and nurses and reading stories about emotions.

## Dates for your diary:

6th Feb: HHK session 2

8th Feb: 'Break the Rules Day' and Ms Bunce on a training course. There will be substitute cover that day.

18th—22nd Feb (inclusive). Half-term. Nursery will be closed all week.

## Did You Know...

Nursery age children should aim for at least 3 hours of physical activity each day. That could be playing with toys, dancing, walking, throwing/catching. Active children are healthy, happy, school ready and sleep better.

## Snack Money:

We would really appreciate it if any outstanding snack money could be paid ASAP.

## Winter Fun:

We have enjoyed : taking turns to feed the birds; making play dough snowmen in the classroom and real snowmen outside! We have taken walks outside to look at our footprints in the snow and on wet or icy days we've danced to music in the classroom or played games in the hall.

## An Creagán:

Our morning class missed out on their trip in January because of the icy weather but we hope to go this month instead. (The afternoon class will get their turn later.)

## Getting Ready to Learn:

**BBR:** We hope you are all enjoying reading the stories in our BBR book bags. We would really appreciate it if you could return bags on a Monday (we have extra help on that day to change each bag). If you forget your child's bag on a Monday, it may be the next Monday before we can change it

**HHK:** Please return your HHK activity bag if you have not already done so. (We hope to lend them again in the summer term).
