

OCPS nursery unit

March 2019:

This month our topics are Spring and Growth.

We will be painting with shades of green, yellow, white and blue; learning about the early signs of spring and 'shopping' in our Home Corner.

Dates for your diary:

6th Mar: Ms Bunce on a training course. (There will be substitute cover that day.)

6th Mar: Education Works Workshop @ 6pm (for parents only this time)

7th Mar: World Book Day

11th Mar: Education Works activity packs will be sent home **INSTEAD** of BBR book bags for **am class**.

12th Mar: Jenny Bristow evening @ The Silver Birch Hotel.

18th Mar: Nursery closed for St Patrick's Day

29th Mar: Second trip to An Creagán for the **am class**.

February Fun:

In the Home Corner, doctors and nurses treated and cared for patients.

We made Get Well Soon cards and Valentine's Day cards for people we love and care for.

We had a great time showing our families some home-made toys and games we can play at home during our HHK II session.

Getting Ready to Learn:

Education Works:

Come along to our workshop on the evening of **Wednesday 6th March** to find out about activities to support your child's development at home.

Snack Money:

We would really appreciate it if any outstanding snack money could be paid ASAP.

Did You Know...

Nursery age children should sleep for at least 11 hours each night. Sleep is not just important for rest, growth and repair, it is also important for consolidating memory and developing vocabulary. Sleep helps children remember new words and sounds!
